August 14, 2017

It is with great pleasure to introduce myself as the new Pre-K through grade 6 Student Activities Director. My name is Lisa Varrasso and I am looking forward to the year ahead and all the positive changes we have coming!

My responsibilities include the Before and After Care Program, Fall and Spring After School Activities, The Little Vikings Summer Institute, and other fun and exciting activities for your children in the not so distant future.

A little background about me, I have been married to my husband Steven for almost 27 years and we have 3 children ages 24, 21, and 19. I earned my degree in Early Education and am certified in Safety Care, BLS (basic life support), CPR, AED (defibrillator), and first aid. I have worked in the East Bridgewater School District since 2006. During this time I have held various positions all which have involved the safety and happiness of the students in East Bridgewater. While working as a teaching assistant I was lucky enough to be offered the position of Director of the Summer Fun and Learning Camp which is now a district wide program and renamed The Little Vikings Summer Institute. I was also given the opportunity to become the Director of the Fall and Spring After School Activities. I taught the cooking classes on Tuesday and Thursdays during these programs as well. I've also done volunteering such as chaperoning school dances or helping out at the Gordon W. Mitchell Middle School in any capacity where needed.

When the opportunity was offered to me to become the Director of the Before and After Care Program, in addition to the other programs I run, I was excited for the chance to make yet another difference in the lives of the East Bridgewater students. This position means stepping away from the classroom, which is not an easy decision, but my mission for fun and successful programs for your children that ensure the quality of care deserves the highest priority and all of my attention.

While I settle in and get acclimated, I can promise each and every one of you that I will be working diligently to provide a Before and After Care program that is a place where you will be comfortable leaving your children.

Please feel free to contact me with any questions or concerns at any time by emailing me at lvarrasso@ebps.net or by calling 508-378-8209 ext. 4203. REGISTRATIONS FOR FALL ARE DUE NO LATER THAN AUGUST 18. NO EXCEPTIONS WILL BE MADE!

I want to thank you all in advance for your patience and understanding during this transition time. It is greatly appreciated.

Lisa Varrasso, Director
Pre-K through 6 Student Activities

The East Bridgewater Public School System is committed to ensuring that all of its programs and facilities are accessible to all members of the public. We do not discriminate on the basis of age, color, disability, national origin, race, religion, sex, sexual orientation, gender or gender identity, homelessness.
